April 7, 2008

Dear Valued Patient;

We regret to inform you that **Dr. Robert Lada, M.D.** will be leaving our practice effective July 6, 2008. Dr. Lada will be moving his family and career to Anchorage, Alaska. Dr. Lada is an excellent physician and human being that will be missed greatly by NNA and the community.

We at NNA remain committed to your ongoing care and serving your neurological needs. We will carefully transition you to another physician in the group based on your specific needs. We have three new neurologists joining our group in July, and have nine other highly trained neurologists in the practice at locations throughout northeast Ohio, many with subspecialty training, that are available to continue your care. We will have additional physician resources allocated to the Hudson and Akron offices so you can continue to be seen in the office you are accustomed to going to.

If you will be seeing Dr. Lada prior to his departure, he will discuss with you the transition of your care at your next appointment. If you have any questions or concerns about the transition, or need to setup an appointment with Dr. Lada or another physician, please call Linda, Dr. Lada's secretary, at 330-342-4020.

For more information about our locations, services and providers, please visit our website at [www.nnadoc.com](http://www.nnadoc.com).

Please be assured we will do our very best to make this transition easy for you, and to continue to provide you the highest level of neurological care and service you expect and deserve.

We wish Dr. Lada the best of professional success and personal happiness.

Sincerely,

Lawrence M. Saltis, M.D.  
President, NNA
