**TINA E. WATERS, M.D., JOINS  
NEUROLOGY & NEUROSCIENCE ASSOCIATES**

**AKRON, OH**—Neurologist Tina E. Waters, M.D., has joined the medical staff of Neurology & Neuroscience Associates, Inc. (NNA).

She received her medical degree from University of Cincinnati College of Medicine and her B.S. degree from Case Western Reserve University, Cleveland, where she graduated *summa cum laude*. She completed her neurology residency and internship at Cleveland Clinic and also completed a fellowship in sleep medicine at University Hospitals in Cleveland.

A neurologist, Dr. Waters has a special interest in sleep disorders medicine and general neurology.

Dr. Waters welcomes new patients and referrals. She will see patients at our West Akron, Medina and Wadsworth locations beginning Oct. 5. For an appointment, please call our Medina office at 330.723.2700, West Akron office at 330.572.1011 or visit [www.nnadoc.com](http://www.nnadoc.com).

NNA provides compassionate care and quality service in comprehensive diagnosis, treatment and rehabilitation of neurological conditions. Its team of physicians, nurse practitioners and technicians utilize the latest technologies and most advanced medical therapies at eight outpatient offices located in Akron, Belden Village, Green, Hudson, Medina, Ravenna, Wadsworth and West Akron.
