

## Neurological Testing Preparation

Location: 701 White Pond Drive  
Suite 300  
Akron, OH 44320

On the day of our appointment in preparation for your testing:

- \_\_\_\_\_ If you are having a NCT/EMG please do not apply lotions to your extremities.
- \_\_\_\_\_ if you are having a REPETITIVE NCT study, and you are on Mestinon hold your morning dose.
- \_\_\_\_\_ If you are having a EEG please arrive with clean, dry hair that is free of hair care products.
- \_\_\_\_\_ If you are having a Visual Evoked Potential please do not apply lotions to your extremities. Please arrive with clean, dry hair that is free of hair care products.

If you have any questions or cannot keep this appointment, please contact us at 330-572-1011. Please note that we do charge a \$100.00 fee for all missed appointments not cancelled in advance.

**Patients that arrive late for their appointments may be asked to reschedule.**

Sincerely,

Neurology & Neuroscience Associates, Inc.
